

Caritas Christi, the motherhouse of the Sisters of Charity of Seton Hill, is located at 129 DePaul Center Road, Greensburg, PA.

This three-floored, modern facility was dedicated in 1999 and serves a number of purposes for the sisters serving in the U.S. Province.

First and foremost, it is the sister's home. Approximately 100 retired Sisters of Charity reside in the building, while Sisters of Charity in active ministry visit for community gatherings, provincial meetings, and recreation.

Our Mission Statement

The Food Service Department creates and shares knowledge to ensure a safe, healthy, and appealing food supply that supports the well-being and prosperity of residents and the environment.
